NIGHTLIGHT CHRISTIAN ADOPTIONS

President of Nightlight Christian Adoptions. Nightlight has offices in eight states (CO, CA, GA, OK, MO, SC, TX, and KY). We operate with a budget ranging to \$5 Million, and have about 100 employees and contractors. In addition, we work with facilitators overseas, conducting adoption programs in fifteen countries. Nightlight is the pioneer of embryo adoptions, and the leading embryo adoption agency with the Snowflakes® program. Since 1959 we have helped women in crisis pregnancies make adoption plans through domestic adoption. Nightlight also operates the Embryo Adoption Awareness Center, a recipient of the federal embryo adoption awareness grant.
